Welcome to the 20th annual Studio-A-Rama, WRUW-FM 91.1's free summer rock concert. We bring you this event as a thank you for your donations to our annual radiothon. WRUW is dedicated to supporting the local music scene, be it through this event, on-air broadcasts, or our upcoming Folk and International Festival that will be held next Saturday, August 26th. Not only is Studio-A-Rama simulcast live on 91.1 (and at http://radio.cwru.edu), but all of the performances are recorded to digital audio tape. Which is why WRUW has a such a comprehensive collection of original live recordings on DAT. Thank you for coming today. You deserve us as much as we deserve you.

Bluto's Revenge

Sure, they've been at it for a long time and the Ramones muse still urges on. Do you remember, "You broke my heart so I smashed your face" ? We do (or do we?) and we still have that Cleveland music compilation, *Clearing The Air.* Man, Cleveland lasts. 'Nuff said. Listen up. [Andrew Harhay: Guitar, Vocals | Tim Dever: Bass, Vocals | Charles Moore: Drums]

The Librarians

Heavy psych rock or dynamic hard rock? These three ladies are ready to steal the show. A newer band formed by former and/or current members of Corduroy Astronaut, Downside Special , and Chump. [Barb: bashing | Carol: plonking | Sharon: twangin']

Sign Offs

Rock 'n' Roll from Cleveland's West Side. Don't expect any ballads from this band. A healthy dose of AC/DC meets D*Generation at a Turbonegro show! [Tim Long: lead guitar | Dave Long: rhythm guitar | Brian O'Brian: bass | Sim Ross: vocals | Kris Monroe: drums (a real powerhouse)]

Viva Caramel

Post this or that, the caramel layers of thick gutsy guitar over some sort of melody. Energetic and powerful , the boys are looking to headline mid-size arenas but stadium opening slots will be considered. [Brian: guy/vox | Brian: gut/vox | Eric: drm | Matt: classy freddy Bassie]

Proletarian Art Threat

The Prole mission: to bring the enlightenment of punk-noise to amassed resistance cells nationwide. Previous incarnation: The Conservatives. But every great People's Revolution must mutate to survive. As The Cons reached the height of their powers, a transformation took place after they recruited their new guitarist. The Proletarian Art Threat arose henceforth. [Jack Shit: v | Athsmatic Enemy of God: g | The Fabulous: b | Fontaine: d]

Razak Solar System

Yeah, they're out there a minute! "Space Is The Place" on PCP at an old Ultravox concert, without Midge Ure but instead with Johnny Foxx! [Steve: vox/boards/pointing | Kevin: drums | Sean: base/keys]

The Greenhornes

Stand up! Move! These shakers from Cinci have got the songwriting of the Kinks and the heart of the Sonics. Simply put they have enough understanding of both the classics and the youth to forge their own paths. Man they *rock*. [Larry Parypa: lead vocals , lead guitar | Mike Bloomfield: lead guitar, vocals | Chas Chandler: bass | Craig Frost: Organ | Ian Pace: Drums]

Rotary Beginners

This relatively new Nagoya, Japan area hardcore punk band has been making some fine noise in the Japanese scene as of late. A close description of their sound might be a more aggressive Damned circa *Machine Gun Etiquette*. But to describe them a bit accurately, try to recall Germany's legendary Upright Citizens or early material by Japan's premiere pirate punks The Willard. Twin guitar assault, too!

"With smiles on our faces and evil in our hearts..."

Tomorrow

Those more into obscure prog-rock might be wondering why Keith West, Steve Howe and Twink are reforming, and why here at Studio-A-Rama? Well, it ain't either! This newer hardcore punk band is also from Nagoya, Japan, the city that produced The Star Band, reputedly Japan's first punk band.

Those of you *can* understand the words in punk rock music will be baffled by Tomorrow as they sing in either Spanish or Italian. This is due to their tribute to the early '80s Italian punk scene (Negazione, Declino, Wretched) after which their sound is molded; and to the explosion of raw/pissed-off Central and South American punk of the last ten years that continues to fuel the band's muse. Their CD (Answer Label/Japan) from a year ago has been boiled down into various domestic 7-inch vinyl releases. Now here's your chance to experience them live, shortly before they blow outta here and head back to Japan. Consider yourself blessed.

What is Studio-A-Rama?

College radio is one of the few sources of airplay of local and regional original music in Cleveland. Due to the opportunity for exposure before a concert and radio audience, Studio-A-Rama is now recognized as a keen performance opportunity for local musicians.

WRUW-FM presents Studio-A-Rama to thank its listeners who donated to the station's annual on-air fundraiser and to show the station's commitment towards supporting local musicians and live music performance.

The concert is an expanded edition of "Live from Cleveland," the station's weekly hour-long live music program airing Thursdays at 10 PM. All "Live from Cleveland" and Studio-A-Rama performances are recorded to Digital Audio Tape (DAT) for on-air use.

WRUW has maintained strong support for the Cleveland music scene throughout its history. In 1991, the station created the weekly "Live from Studio A," ("Live from Cleveland's" predecessor), the now-defunct "Reel Live Music" (pre-taped), and the annual Studio-A-Rama summer concert.

Past performers include Unrest, Wreck, Naked Raygun, Death of Samantha, My Dad is Dead, the New Salem Witch Hunters, Prisonshake, Morsel, NRG Ensemble, Mule, DuValby Bros, Glazed Baby, U.S. Maple, Mount Shasta, New Bomb Turks, The Upper Crust and many others we could list here, but we just ran out of space.

WRUW-FM 91.1 is located at 11220 Bellflower Rd., Cleveland, OH 44106. This Studio-A-Rama 2000 Program was scribed by Rock's Gift to Women. Cover art conspired by the Brothers Pickering. Record turnaround layout by Joe "All Night Long" Banks. Flyer Propoganda: Ron K. Thanks to Ben Trella for makin' copies of said flyers. For more information on WRUW, please call (216) 368-2208.
